### Museum Education Internship

#### Summer 2025

Albacore Park seeks a Maritime Education Intern with a STEM Surface and Subsurface Vessel Concentration.

The intern will build and conduct demos on the specified days of work for various age groups that will be clustered into age categories. They may also be asked to conduct demos for curious visitors to the Albacore Museum and Submarine of high school and adult age. The Albacore Park Mentor will train and guide the intern in STEM area development.

The intern is not required to be versed in STEM related fields, but they must possess a thirst for learning, be prompt and reliable, and desire to be creative. Current or recent undergraduate and graduate students who wish to gain experience in museum education or related fields are welcome to apply.

**Duration:** June 4 through August 28, 2025.  
156 hours of work

#### Schedule:

- 2 days per week (WED, TH) – 10am-4pm (Total daily hours – 6 hours)
- Additional weekdays may vary from T-TH and may be flexible
- The Mentor will be available 10-11:30 each day for the intern after a solid foundation is built and the intern is comfortable with their role.

**Compensation:** A \$2,000 stipend will be paid at the end of the internship period.

**Reports to:** Nanette Bulger, Director of Education

Applicants should email a cover letter and resume to [agoldstein@ussalbacore.org](mailto:agoldstein@ussalbacore.org), with “Internship - Education” in the subject line.
